“ All I want to say is thank you for helping me be able to see clearly again. I never really knew how bad my eyesight really was. I had my glasses on and could see the difference wearing them really made. It's nice to see the world better.

Thank you. – Michelle S.

Finally received my wonderful glasses. I haven't had glasses for many years. I can see better now! I am so thankful for this wonderful program and how it helped me. Thank you Prevent Blindness Ohio. I am very grateful.
