# Prevent Blindness Ohio

*We love stories of Ohioans who benefit from PBO services & programs*

*"I resided at the Northeast Ohio Community Alternative Program (NEOCAP) in Painesville Ohio and they referred me to AEG Vision. I went to Painesville Family Eyecare and they were professional and fitted me with everyday eyeglasses and it made a world of difference in my vision. I am grateful for the Prevent Blindness Ohio program. You helped me with the precious gift of vision. I can read books again. Thank you."*

*- Melody - Painesville, OH*

*"I'm very grateful for Prevent Blindness Ohio. I have no vision insurance and without this program I would be lost. Thank you and God Bless."*

*- Stephanie - Columbus, OH*

*"I started out with my eyesight fading. I could not see long distances or up close. But Prevent Blindness Ohio helped me see that I needed glasses. The doctor and staff were friendly and knowledgeable. With a quick exam, I was fitted with glasses that I love. The frames are handsome. It took about a week to get them back. Now I can see like I am 30 again, maybe even 25. I thank you all for this program. I can see again!! And I don't have to keep borrowing readers from friends!"*

*- Renard - Toledo, OH*

*"Thank you very much! Good vision is a precious gift!"*

*- Julie - West Chester, OH*

*"While in school, Noah's brand new glasses were taken when he set them down. They were not found and our insurance would not replace them. Thanks to Prevent Blindness Ohio, he got a new pair that he really likes."*

*- Kimberly (mother) - Akron, OH*
