People of Vision

Prevent Blindness Ohio is so thankful to have sponsors like you support our mission: **to prevent blindness and preserve sight**. Preserving sight is so much more than making sure people in your community are getting an annual check up/glasses, it's making sure the people in your community are able to stay independent and maintain the lifestyle they want to live.

Please check out how your sponsorship helps Prevent Blindness Ohio reach those in your community.

“ I haven't had an eye exam in 3 years because I haven't had insurance or the ability to pay for an exam. I have a history of chronic Uveitis and the voucher not only enabled me to make sure everything is good on that front but also meant I can see clearly again! It's so nice to see clearly and no longer have daily headaches. It makes a big difference in my life, especially as I have a stronger prescription (-6.0 and -6.5 and astigmatism). Not having glasses isn't an option & the cheap glasses I'd bought from Amazon just don't correct the same. I wish I could tell your donors just how much it means to me. ”
