### Refresh and Re-Certify

For those people who are currently certified adult vision screeners and need to refresh their knowledge or update their certification.

Monday, February 23, 2026, Noon to 1:00 pm  
<https://www.surveymonkey.com/r/RecertFeb2026>

Adult Vision Screening and HealthyEyes Webinar (free) Objectives:

- *To learn about the common causes of vision loss*
- *How to preserve vision health through early detection and treatment*
- *To be nationally certified as an adult vision screener*
- *To learn about accessing resources for people who cannot afford vision care*

After attending the Adult Vision Screening Training Program, you will be able to:

- Perform adult vision health risk assessments and near and distance visual acuity screenings
- Educate people about “aging eye” diseases and disorders
- Describe Adult Vision Screening Guidelines Published by Prevent Blindness

Upon successful completion of the training and a practical assessment, you will be nationally certified to provide adult vision screenings for three years and may be eligible to receive vision screening equipment including: Adult Risk Assessment and Registration Forms, charts, and assorted educational vision resources and brochures.

HealthyEyes Program enhances the services of Ohio’s health-care volunteers, senior care staff, and public health networks by providing access to prevention, referral, and treatment resources for adult eye challenges. After completing the HealthyEyes portion of the program, you will be able to provide facts and information to help prevent vision loss. You will receive a HealthyEyes Toolkit that with many PowerPoint presentations, handouts, and support materials. This training provides you with the opportunity to be an advocate for eye health and safety!

Questions? Contact Laura Schwartz at 800-301-2020, ext. 112 or [lauras@pbohio.org](mailto:lauras@pbohio.org).

*This program is free of charge thanks to our grant funders.*
