WILDERMUTH **OPTOMETRIC RESEARCH** CLINIC

20/20
20/40
20/200

Do you know the difference?

We are recruiting normally sighted adults to participate in a research study examining how well the general public understands visual acuity measurements.

WHO CAN PARTICIPATE

Individuals who…

- Are 18 years of age or older
- Are normally sighted (20/20 or better after correction such as glasses, contacts, etc.)
- Can understand and answer questions in English and no cognitive impairment
- Not an eye care professional (currently in practice or in training)
- Do not have close personal connections (family, friends, etc.) who have low vision or a visual impairment.

WHAT WILL HAPPEN

- Complete basic visual function assessment in a study room
- Complete a brief cognitive assessment
- View examples of different visual acuity levels associated with visual impairment
- Complete a visual acuity survey
- Answer brief demographic questions.

WHERE IT WILL HAPPEN

Fry Hall
338 W 10th Ave, Columbus, OH 43210
(Ohio State Columbus Campus)

INCENTIVES

Participants will be compensated at a rate of $15/hr with an eGift Card.
